Gangsta Granny

The Love Bomb

'Ben had spent the whole of Sunday morning being measured up by Mum for his dance outfit. She had stayed up through the night, sketching possible designs...

Mum's hand-drawn options ranged all the way from the embarrassing to the humiliating...

There was:

The Woodland
Fruit Cocktail
Thunder and Lightening
Accident and Emergency
Ice and a Slice
The Hedgerow and Badger
The Quality Street
Eggs 'n' Bacon

Confetti
The Underwater World
Burning Love
Cheese and Pickle
The Solar System
Piano Man
The Love Bomb'

What other silly outfits could you design for Ben?
